

## House Resolution No. 1775

**Whereas**, the members of the Missouri House of Representatives always welcome the opportunity to acknowledge special events which are experienced by Show-Me State residents who have been blessed with long and productive lives; and

**Whereas**, Lorine Lager of Maryville, Missouri, has attained her Eighty-eighth Birthday, a milestone in life which she celebrated on April 10, 2004, with a festive cake-and-ice-cream party in St. Gregory's Multipurpose Building which was attended by her many family members and friends; and

**Whereas**, born in 1916, Lorine Lager enjoyed a childhood filled with numerous educational and rewarding experiences; and

**Whereas**, in addition to being born prior to the Roaring Twenties, Lorine Lager reached adulthood during the Great Depression and took her place as a mature member of society during World War II and the subsequent decades; and

**Whereas**, a vibrant part of the twenty-first century, Lorine Lager enjoys a life which encompassed most of the twentieth century with its first flights by heavier-than-air craft, worldwide turmoil associated with World War I and World War II, rise of the automobile as America's preferred mode of travel, demise of the Soviet Union as the Cold War drew to a close, and shift from a primarily agricultural economy to one dependent upon industry and then upon the service and information sectors; and

**Whereas**, it is fitting and proper for the Missouri House of Representatives to pause to commemorate momentous events in the lives of such stellar citizens as Lorine Lager:

**Now, therefore, be it resolved** that we, the members of the Missouri House of Representatives, Ninety-second General Assembly, join unanimously to applaud the arrival of the Eighty-eighth Birthday of Lorine Lager and to convey to her this legislative body's heartiest congratulations and our best wishes for many more celebratory events to come; and

**Be it further resolved** that the Chief Clerk of the Missouri House of Representatives be instructed to prepare a properly inscribed copy of this resolution for presentation to Lorine Lager of Maryville, Missouri.
